ARIZONA CORPORATION COMMISSION

MEMORANDUM

TO: Commissioner Mike Gleason

FROM: Ernest ^{EGS} Johnson
Director, Utilities Division

DATE: February 4, 2004

RE: APS Rate Case: E-01345A-03-0437

Staff will address the questions set forth in your September 5, 2003 letter in an addendum to the testimony of Staff Witness Linda Jaress.

Although Staff's testimony addresses many of the topics contained in your questions, we believe that an additional, more comprehensive response will be helpful to you in reviewing the issues that you have raised. In particular, a complete response to question 4 requires a survey of the various states and a compilation of the survey results. These efforts may take longer than we originally anticipated.

For these reasons, we plan to respond to your questions in a separate addendum to our testimony. We anticipate completing this separate addendum within the next seven to ten days, and will file our responses to your questions as part of Staff's testimony in this case.
